Washington, B. C., Jan. 20.—The Senate committee on the judiciary Saturday took up the various prohibition measures before it and heard Scuator Tillman on IT WAS A VERY FAST GAME a bill regulating the importation of iquor into one state from another. He argued that it was competent for Con-gress to take in band this question and relegate it to the control of the states as a police power. A colloquy arese between the two sunthern senators as to the power of Congress to designate the articles of interstate commerce, but simply gives Congress power to regulate it. Senator Knox pointed out that the supreme court had already decided to be valid state laws probibiting the sale or imported liquiers.

Mr. Fillman asimitted there was some doubt of the right of Congress to regu-late this receipt of Jiquor from outside states by individuals for their own use. This, he considered the only doubtful lement connected with the question. He begged the committee not to delay in reporting the bill.
